PULP

PINNACLE OF ART

The Pulp pair of speakers is a concentrate of Goldmund's know-how. Composed of the Telos amplifier, Goldmund adds a brand new digital input and wireless audio streaming (Bluetooth aptX and WiSA) to its new speakers. As accessory, Pulp is equipped with a small HUB for multi-channel WiSA connectivity. On a table, shelf or chest of drawers, Pulp will provide you with sensational music listening and home entertainment.
