LOGOS TOWER CORIAN

DESIGN

Innovation has always been central in the commitments made by Goldmund and, far from resting on our achievements, despite a perfectly effective and aesthetic product, we want always more. For this reason, the Logos Tower 2-way speaker has been redesigned with the application of a new material from DuPont – the Corian®. This edition is proposed in four different shades:

- Deep Nocturne Black
- Deep Cloud Gray
- Silver Gray
- Glacier White
